Meeting Synopsis

1803 -17Feb

In attendance

Lisa Davona

Heather Chorley-Gordon

Enzo Molino

Jody James

Rose Casale

Sheila Fardy

Samira Rezgui

1)-Social Distancing Concerns, in ADL room

More than one management team member assigning agents causing overlap and overcrowding. Management has been advised and alternate positions

2)-E-gate Trial- Dates will be announced via bulletin

This to provide a touch-less verification by customer.

An incentive from the GTAA

3)-4 agents have tested positive in our workplace as a result of Antigen testing, for the most part A-symptomatic. Do we have new guidelines for new Variant from corporate H/S

Management has advised Canadian Medical association has not changed. They take direction and follow policies from Health Canada.

4)-Weather policy in effect for employees arriving late- first occurrence was very proactive. Subsequent days not as proactive. Note to Management

5)-Baggage Hall overcrowding is a concern, at what point do we allow for a second carousel. Can the GTAA provide assistance at peak times. Over a certain number of bags does that trigger a second carousel ...possibly 200 pieces

6)-Do you have any updates on the work alone project? With over nite agents. Management

7)-Air Canada considering opening the ATO band for ADL -

Now in effect

8)-GTAA is looking at community testing- near Subway shop. 0700-1700 proposed hrs

PCR 2-3 hrs turn time, Antigen 20 min - further press release.

In beginning no cost - to be assessed at a later date.

Opened 1 March

9)-New larger gown has been ordered 3X

45 flights a day operating

BOG -Gone

DUB-Gone

FRA- reduced

3 ply masks will be arriving soon.

vaccination- priority - recognized

10)-De-escalation of Management Training program.

Arrival metering GTAA

No curb-side assistance between the hrs 0100-0500 nor many porters. - AC will address

11)-Wifi Connectivity - 67 PDA model scanning wchrs

AC is addressing

Lead Job Description- will address at 22feb meeting

-Reviewed and agreed upon

12)-Air Canada - will commence calling members GIDIP and WSIB

That have been off 3+ months as care calls - starting 01Feb

13)-No update on scarves/ties in pandemic - Proposal

14)-No update on GTAA allowing us to page from gate

Advised from Air Canada that GTAA has advised
