

Orthopedic shoes are covered at 100% limited to 3 pair per calendar year payable at reasonable and customary charges. Safety shoes and boots are covered provided they are prescribed by a podiatrist and when off the shelf is considered inappropriate. Limited to one pair per calendar year, deductible does not apply for safety shoes/boots. (The extra cost of safety toe caps is not covered).

Assignment of benefit is not allowed therefore you will need to submit the original paid in full invoice with your claim form. A Medical doctor, Chiropodist/Podiatrist's or Chiropractor referral is required. They can be dispensed by any medical practitioner. Prescriber and provider cannot be the same unless sent to an offsite lab. **We also require the make and model of the shoe.**

The following deductible (per shoe) is applied to custom made orthopaedic shoes/off the shelf shoes based on gender and age.

Reduce by \$75.00 for men

Reduce by \$68.00 for women

Reduce by \$36.00 for children (to age 21)
